IF YOU FEEL STRAIN ON EYES READING THIS ADVERTISEMENT

consult your nearest • Eye-Care Centre
• Eye-Care Doctor

Overexposure to screen time increases THE RISK OF DIGITAL EYE STRAIN

Smart Phones | Desktops | Laptops | Televisions | Tablets | Gaming Systems etc

PREVENTION:

- Take a 20 sec break from the screen every 20 minutes
- Reduce overhead lighting to reduce screen glare
- Position yourself at arm's distance away from the screen for proper viewing distance when at a computer
- Increase text size on devices to read without any kind of eye stress

YOUR EYES ARE **PRECIOUS!**

Overexposure to screen time increases
THE RISK OF DIGITAL EYE STRAIN

Smart Phones | Desktops | Laptops | Televisions | Tablets | Gaming Systems etc

PREVENTION:

- Take a 20 sec break from the screen every 20 minutes
- Reduce overhead lighting to reduce screen glare
- Position yourself at arm's distance away from the screen for proper viewing distance when at a computer
- Increase text size on devices to read without any kind of eye stress

SYMPTOMS:

- Watery eyes
- Headaches
- Neck and Back pain due to poor posture
- Red, Dry or Irritated Eyes
- Tired Eyes
- Blurred Vision

REMEMBER
Do not forget to consult your Eye Care Centre, if the problem persists.
